

Website Accessibility

Brokaw Credit Union is committed to providing a website that is more accessible to people with disabilities such as blindness and low vision, deafness and hearing loss, learning disabilities, cognitive limitations, limited movement, speech disabilities, photosensitivity, and combinations of these. To that end we are in the process of implementing the recommendations of the [Web Content Accessibility Guidelines](#) (WCAG) as published by the [Web Accessibility Initiative](#) (WAI) of the [World Wide Web Consortium](#) (W3C.). There is no definitive test nor certification of conformance to Level A or Level AA of the WCAG but we use a variety of methods for assessing accessibility.

Brokaw Credit Union strives to make every page accessible to users but cannot guarantee that every page fully meets Level A and Level AA guidelines. Brokaw Credit Union uses WCAG guidelines for compliance because they are determined by the W3C, the consortium that makes all guidelines for the Internet, worldwide.

Thank you for your patience as we endeavor to make these changes. **If you encounter difficulty accessing any part of our website or need assistance, please contact us at 715-359-7012.**
